Training

Gokboru Pvt Ltd

(AWS Cloud Computing)

- Completed comprehensive training on cloud computing fundamentals and deployment models
- Gained hands-on experience with major cloud platforms including AWS, Azure
- Worked on real-world projects involving cloud service configuration and resource provisioning
- Learned about scalability, fault tolerance, and cost optimization strategies in cloud computing

PROJECTS

• Crowdsourced Civic Reporting and Resolution System:

Jan 2026 - April 2026

Developed a civic issue reporting platform for potholes, garbage, and streetlight complaints. Implemented GPS-based location tracking, image upload, and live complaint status monitoring. Used Supabase for authentication and MongoDB for scalable backend storage. Designed an automated admin dashboard for complaint routing and issue management.

• Artist Ho – Artist Collaboration Platform:

Feb 2025 - May 2025

Developed a collaboration platform for artists to connect and share content. Designed and built user authentication, profile management and search functionality. Built using HTML, CSS, JavaScript, and React.js.

• Cloud Library System:

Nov 2024 - March 2025

Developed a cloud-based digital library management platform. Enabled access to e-books and multimedia resources from any device. Used AWS Lambda and DynamoDB for serverless operations.

• Automatic Hand Wash Sanitizer System:

Jan 2022 -Feb 2022

Developed an automatic contactless sanitizer dispensing system. Created an Automatic Hand Wash Sanitizer System for contactless hygiene. Used sensor-based technology to minimize germ transmission. Implemented C code for motor control based on sensor detection.

CERTIFICATIONS

Project Management (Coursera)	Jan 2026 - May 2026
IoT 4.0 and Industrial Internet of Things (NPTEL)	Jan 2025 - April 2025
Cloud Computing Basics (Cipher School)	Sep 2025 - Nov 2025
Amazon Web Services (Gok Boru Pvt Ltd)	Feb 2024 - May 2024
ChatGPT Playground for Beginners (Coursera)	June 2023 - Nov 2023

Technical Skills

Core Competencies: Cloud Computing (AWS, Azure), Networking Fundamentals, Technical Support

Technologies / Frameworks: React.js, MongoDB, Supabase, Render

Cloud Platforms : AWS, Azure, Docker, Kubernetes, CI/CD Pipeline, Git & GitHub, AWS Lambda, Serverless Architecture

Networking & Systems : Linux & Windows Configuration, Network Security Basics

Soft Skills : Team Collaboration, Problem Solving, Communication Skills, Analytical Thinking

EDUCATION

Lovely Professional University

2023 - 2026

Bachelor of Technology in Computer Science Engineering

Jalandhar, Punjab

Diploma in Engineering

2020 - 2023

Govt. Polytechnic Khutri

Bokaro, Jharkhand

Guru Gobind Singh Public School

2019 - 2020

G.G.P.S Chas Bokaro - 10th

Bokaro, Jharkhand
